File Names: _____

Contest Guidelines

- The images must be sent as an 8" x 10" print as well as a digital file at 600 dpi. The winning images will be printed at a larger size for the Dickson Gallery display.
- Each file (image) should be named: lastname_firstname_imagenumber.JPG. For example if your name was John Brown and you entered five images, the file name for the first image would be Brown_John_01.JPG and so on for additional files, numbers ranging 1-5. The prints should have the corresponding file name written on the back.
- If you use film, it is up to you to obtain a digital file of the image for submission.
- The image descriptions should be given a title; include the file name as well. Each description must be typed 50-150 words. Please include one for each print (on separate sheets of paper).

Contestant Agreement

As an applicant of the United Way of West Tennessee's "what matters." photography contest, I agree to all terms and entry specifications. The images I have submitted are entirely my own. I understand all rights for the future use of this (these) image(s) are given to United Way of West Tennessee. The copyright will remain mine; however, my entry may be used for any promotional materials created. I will not hold the United Way accountable for any lost or damaged entries and I do understand my images will not be returned to me. I recognize the judges' decisions are final.

Again, as a contestant of United Way of West Tennessee's "what matters." photography contest, I understand and agree to the previously mentioned terms while maintaining the copyright to my images but giving full permission to the use of my entry.
